

# SPONSOR/PROMOTIONAL STICKERS

## WHAT IS THIS

Sponsor & promotional stickers are professionally made out of long life polymere vinyl. These stickers have a permanent glue and will resist UV-rays and salt water. The stickers are delivered ready-to-use on windsurfsails, surftrailers, cars, windows, surfbus, ...

## MAKE YOUR CHOICE

- sign sticker:  digital cut-out of **vectorised** logo/design (max. sticker width = 90 cm)
- these stickers can only be made starting based on vector design
- full color sticker:  photographic print with glossy UV resistant laminate finishing (max. sticker width = 130 cm)
- based on **vector or bitmap** images

**BITMAP** image exists of small pixels or dots, becomes unsharp when you blow up the image f.e. digital camera picture 3 Mb = 72 dpi image with good printable size 50 x 25 cm

**VECTOR** image exists of sharp lines & curves, 100% scalable without resolution loss These lines are also used by a digital plotter to cut out designs

## STICKER APPLICATION

Use sticker on flat non-greasy & non-porous surfaces such as windsurfsails (monofilm), glass, plastics, epoxy, ... Clean the surface first & make it dry. Apply sticker at min. 15°C.
